New Drug Firm Opening Is Set

Broadway Site Taken For Local Branch Of Chain Store

Opening of the Economy Drug Company's Redwood City store at 2636 Broadway was marked Thursday.

R. R. Palmer, who with G. H. McCurdy is owner of the chain firm which has branches in 10 other cities from Whittier to Vallejo, including Palo Alto, is general manager. He is a registered pharmacist, having obtained the degree of doctor of pharmacy and bachelor of science besides having passed the State Board of Pharmacy examinations in California, Colorado and Oregon.

E. N. Weed, Redwood City resident living at 157 Elwood street, will be local manager.

The firm specializes in cut rate drug prices, on all merchandise.

Registered pharmacists are employed in all their stores and are "men who are selected for their ability to render the finest service and knowledge that modern pharmacy can offer," according to Manager Palmer.

"The name of Economy Drug Company is not new to Redwood City," said Palmer today in announcing plans for the opening, "as our manager at Palo Alto considers many of the citizens of Redwood City as his most valued customers."

Seven Judges Attend K. C. Judiciary Night

SAN MATEO, Sept. 30 — With seven county judges attending, Knights of Columbus Monday night paid honor to the judiciary and heard Superior Judge Deasy of San Francisco give an eloquent discourse on the history of law, tracing development of different legal systems from pre-Christian era to the present time. Some 75 members and friends of the lodge attended. Judges present were Justices of the Peace McAuliffe of Redwood City, Clay of South San Francisco, and Mullen of San Mateo, and Police Judges Dinning, South San Francisco; Rapsey, San Bruno; Stone, Burlingame, and Stetson, San Mateo.

MODERN BUILT DAIRY PLANT TO SERVE PENINSULA OPENS SUNDAY

Manual I. Piers, manager of the peninsula division of the Golden State Company, Ltd., announces the opening of the beautiful new Monterey-type Golden State plant for this Sunday, October 4. The new plant is on the site of the older plant in North Palo Alto, opposite the Veterans' Hospital, on Willow Road. The new dairy plant, according to Mr. Piers, is considered to be one of the most efficiently organized, modernly equipped plants of its kind in the entire United States.

Nino Martini Again Featured By Chesterfield

The popular Andre Kostelanetz dance programs sponsored by Chesterfield cigarettes over the Columbia network opened their fall season on September 30 with the return of Nino Martini as star of the Wednesday evening broadcasts.

Kay Thompson, Ray Heatherton and the Rhythm Singers will continue to hold the spotlight on Fridays, with a new broadcasting time of 8:30 E.S.T., and a rebroadcast of the entire show from New York at 11:30 for listeners in the West.

The Martini programs on Wednesday evenings also feature a new Chesterfield chorus of 18 mixed voices which Kostelanetz has spent many weeks selecting and rehearsing. Insiders on radio row who have heard the new ensemble are lavish in their praises, and some claim that it is the finest singing aggregation Chesterfield has yet put on the air. They plan to vary the brilliant dance arrangements of Kostelanetz with the pick of light music from musical comedies, operettas and popular movies.

GODKINS MOVE TO NEW HOME

Now established in their new home at 1 Acacia Lane, off the Alameda de las Pulgas, are Mr. and Mrs. Don R. Godkin. They formerly made their home at 524 Katherine street.

Pictorial History of Ten Years' Flying on the Pacific Coast

Illustrated here are four types of mail-passenger planes which United Air Lines has flown on its Pacific Coast airway during the ten years this service has been in operation. The first plane operated on regular mail-passenger schedules linking California, Oregon and Washington cruised 90 miles per hour, only half that of United's present three-mile-a-minute twin-engined passenger-cargo airliners. (1) 200 h. p. single-engined monoplane with which United's predecessor division inaugurated regular schedules on the Seattle-San Diego airway Sept. 15, 1926. (2) Four-passenger-cargo biplane operated from 1928 to 1931. (3) Trimotored transport operated from 1931 to 1933. (4) Three-mile-a-minute twin-engined Boeing passenger-cargo airliner now in service.

Independent Stores Plan Campaign At Noon Meeting

Plans for a Redwood City campaign urging the public to "vote yes" on the proposed Retail Store License Bill No. 22 which comes before the voters at the November election were made public today.

A meeting of 42 independent merchants was held at noon yesterday at Sodini's Tavern with W. D. Ryan, local furniture dealer, acting as chairman.

The speaker of the day was Mr. V. L. Taylor of San Francisco who outlined the reasons for passing the bill. He stated that the chain stores were not paying a just share of the tax bill and that the measure was completely justified. He cited the overwhelming majority by which it passed the assembly and the fact that the governor had signed the bill in spite of great opposition to it.

Mr. Taylor said, "The chain stores have stated that independent merchants charge 10 per cent more than chain store merchants. This is not true and it is being disproved here in Redwood City. Many independent stores sell for the same prices or less than chains in many lines of business and this fact may be proven by looking at the advertising of both types of stores."

Frank Carroll, president of the Anti-Monopoly League was a guest at the meeting.

RETURNS TO SCHOOL AFTER OPERATION

Miss Meredith Clattenburg, daughter of Dr. and Mrs. H. A. Clattenburg of 540 Hopkins avenue, has resumed her studies at Sequoia Union High School, following an appendicitis operation.

Victoria Market Opens Saturday At 6th Avenue

Grand opening of the Victoria Market, located at 6th avenue and Middlefield road in North Fair Oaks will take place Saturday morning at 8 o'clock sharp, it was announced today by William Bernal, proprietor.

Mr. Bernal has been a resident of Redwood City for many years and is well known throughout the city.

The Victoria Market will feature low prices on quality groceries and meats and all latest equipment has been installed. The building housing the market was just completed and is modern in every respect.

The Victoria Market will be a member of the Red and White stores organization which is composed of independent grocers who have banded together in order to buy large volumes of merchandise at the quantity discount prices.

There are thousands of grocers throughout the nation who feature the fact that they are members of the Red and White system because it is known as an emblem of quality at low prices.

There will be many free gifts including free ice cream for the kiddies and souvenirs for the ladies.

WOMAN SLASHES WRISTS

SAN MATEO, Sept. 30.—Mrs. H. R. Amling, 504 San Mateo drive, was treated at Mills Memorial Hospital last night for what San Mateo police said was an attempt at suicide by slashing her wrists. Her self-inflicted injuries were only minor cuts, however, the police reported. They said she tried to take her life after a "family argument."

Redwood Theater To Offer 'T-Men' Film on Sunday

Rivaling the G-man cycle for spectacular thrills, "Counterfeit" will on Sunday have its Redwood City premier at the Redwood Theatre. It brings to the screen for the first time the powerful story of a new arm of the federal law enforcement agencies—the T-men.

Chester Morris portrays the government agent who pursues the counterfeit band headed by Lloyd Nolan. Margot Grahame, acting her strongest role since "The Informer," is seen as the criminal's sweetheart and she manages to innocently involve her young sister, portrayed by Marian Marsh.

"The Final Hour" is the second feature on this double feature program. Patsy Kelly in a comedy riot entitled "Hill Billies," completes the program.

Woodside Road Contract Is Let By State Today

Contract for the grading and surfacing of the road between Menlo Country Club and Woodside, on the Woodside road, was awarded today by the State Division of Highways, the United Press reported from Sacramento.

Cost of the project will be $64,869.

The Union Paving Company of San Francisco was the successful bidder. The firm also won a contract for a $196,576 project in Fresno county.

STAR IN FILM STORY OF WAR PLOT

Gary Cooper and Madeleine Carroll in a scene from "The General Died at Dawn," now playing at the Fox-Sequoia Theatre. On the same bill with the story of war torn China is Patsy Kelly's first full length feature picture, "Kelly The Second," in which Miss Kelly is supported by Charlie Chase, Guinn ("Big Boy") Williams and Pert Kelton.

DRUNK DRIVING CHARGED

SAN MATEO, Sept. 28.—Frank Oland of San Mateo was charged with driving while intoxicated after an accident here when his machine allegedly wrecked four others. First he collided with the car of Edward Ruhl, San Mateo, and then his car caromed off into a used car lot where it smashed three other machines.

Preston Foster has an interest in a tooth powder concern.

Menu Flashes by Joan Andrews

A breath of spring still lingers in the markets in the form of spring salad vegetables. Combine them with some freshly ground black pepper, a little salt, some olive oil, and a dash of wine vinegar and you'll have a salad fit for an epicure. Serve a spring salad on one of these warm Indian summer evenings as an appetizing beginning for your dinner. Then, for a perfect ending, serve that all-year favorite, ice cream.

This month's Golden State Brick Ice Cream Special combines Pecan Krunch ice cream, vanilla, and Santa Clara pudding. The Pecan Krunch is chock-full of buttery, chewy pecans, and the Santa Clara pudding is a rich, fruity ice cream containing prune purée.

CITY TRUCKS AID CLEAN-UP OF 270 YARDS

Last week's highly successful "cleanup campaign" resulted in rubbish and refuse being removed from 270 premises, a checkup at the city hall disclosed today.

During the entire week, three trucks were kept busy removing the trash stacked by householders in front of residences or in other accessible places. One of the vehicles was still working this morning on orders received last week, but the other two were returned to regular city duties, postponed for the six-day period.

Most of the refuse was dumped at the city dumping grounds, according to Acting City Manager C. L. Dimmitt, but some of the more solid material was used to fill the old cistern where a new playground is being constructed at the site on Chestnut street formerly occupied by the corporation yard.

The cistern, abandoned some 30 years, is about 20 feet in diameter and 30 feet deep. It once was used to store water obtained from artesian wells, long since dry.

The rest of the pit will be filled with dirt, Dimmit said, so that the playground can be completed at the earliest opportunity.

We Reserve the Right to Limit Quantities

This Community Is to be Congratulated

Community enterprise today takes a step ahead with the opening of the new milk processing and distributing plant of Golden State Company, Ltd.

Milk distribution is, in truth, a community enterprise. Upon the successful operation of our business depends in no small measure the health of this community—the rosebud cheeks of our children, the stalwart arms of our young men and women and the strength of our men and women of accomplishment. Any improvement which we, individually or together, can bring to the efficiency of milk production and distribution is an added laurel for us all.

Therefore, we of the milk industry congratulate the Golden State Company upon the completion of their new and efficient plant and the high standard of quality which it represents. But, more than that, we congratulate this community upon this addition to community enterprise.

Tuberculosis Group Drops State Work

Announcement was made today by Mrs. Harry S. Dana, president of the San Mateo County Association for the Prevention of Tuberculosis, of the withdrawal of the local organization as official representative of the state association and of its intention in the future to devote all its financial support to the San Mateo Preventorium.

Historic Bell Tower Felled

Belmont Group Makes Way for Social Meeting Hall

BELMONT, Sept. 30.—Just one week after the ground-breaking ceremonies for the Belmont Community Church Social Hall, one of Belmont's historic landmarks was razed to make room for construction of the new building.

The building committee under the direction of G. W. Boyce, chairman, ascended to the top of the 40-foot belfry and carefully lowered the huge bronze bell which was cast in 1882 by W. T. Garrett of San Francisco.

The tower was then cut loose from the church building, which was built in the late '60s, and as the last tie was severed the cry rang out to "stand clear." In dramatic silence the historic old landmark toppled to the ground.

The foundation lines have been laid out and during the week excavating will be completed. Next Saturday the forms will be placed and concrete work started.

All of the labor for this building will be volunteer and anyone who wishes to donate any time towards this worthy cause will please get in touch with the building chairman, G. W. Boyce, at the site on Fifth avenue, near the firehouse on Saturday morning or any time during the day.

As work progresses the ladies of the church will serve picnic lunches at the church on Saturdays.

ANNOUNCING

THE OPENING OF THE MAGNIFICENT NEW PENINSULA PLANT OF THE GOLDEN STATE COMPANY, LTD. THIS SUNDAY, OCTOBER 4

YOU AND YOUR WHOLE FAMILY ARE CORDIALLY INVITED TO VISIT THIS BEAUTIFUL NEW PLANT BETWEEN TWO AND SIX P. M., SUNDAY AFTERNOON. GUIDES FURNISHED.

GOLDEN STATE

Have you ever seen ice cream made in a modern dairy plant? Watched a great Ladewig unit-type bottle washer handle bottles more surely and delicately than could human hands? Seen the sterilizing processes and the latest pasteurizing methods which give you assurance of unvarying quality and goodness in Golden State milk, cream, and milk products?

This Sunday, between two and six, we're having "open house." We want YOU to see our new plant. You'll find the visit not only educational but vastly interesting. You'll see the charming Spanish-style building with green lawns. A long, airy place, friendly, in keeping with the ideals and reputation of Golden State Company.

You'll see the three hundred gallon stainless steel pasteurizing tanks. The great automatic Taylor recording thermometers which insure unvarying flavor-goodness for milk passing through the pasteurizing processes. You'll see the bottle filler, the bottle capper machines.

ALL THE FREE ICE CREAM AND MILK YOU CAN HOLD!

And there will be refreshments, of course. All the ice cream and milk that you can eat or drink free. Bring the children along. Guides will be supplied to give you the whole, dramatic story of how nature's perfect food—milk—is brought to you fresh, delicious, and absolutely pure through the swift, efficient processes of this magnificent new plant. Make a party of it, Sunday afternoon!

HOW TO GET THERE

The new Golden State plant is located on the same site of the old plant. In North Palo Alto, on Willow Road, opposite the Veterans' Hospital.

MANUEL I. PIERS, Manager Peninsula Division

Lose Unsightly
FAT
Quickly—Safely
with WATE-OFF
Drugless Preparation for Scientific Weight Reducing

WATE-OFF is a compound of pure vegetable matter. WATE-OFF contains no dangerous drugs of any kind—no dinitrophenol—no salts or other harmful laxatives. There is absolutely nothing in WATE-OFF that can do you the slightest harm. Many users report that after taking WATE-OFF for just a short time they actually feel better than they have in years. Yet, WATE-OFF makes it possible for overweight women, and men too, to take off five pounds a week, or even more, without strenuous exercising and without starvation diets. In fact, as you take off weight with WATE-OFF, you not only **LOOK** better but you actually **FEEL** better.
The instructions say: Take WATE-OFF before meals, 3 or 4 tablets a day, then eat your hearty fill. Users say: "Results are simply amazing." Unsightly flesh frequently melts away like magic—and, without causing the skin to sag or wrinkle as so frequently happens with fast-acting but dangerous drug reducers.
You have seen WATE-OFF advertised in Pictorial Review, Physical Culture and other leading magazines at $2.45. Here now is your opportunity to purchase this same fine preparation for only $1.19, with our guarantee that if you're not satisfied with results you may return the empty carton and we will return your money.

Usage Doubles In Six Years

126,238 Books Used In 12-Month Period; Non-Fiction Gains

Book circulation at the Redwood City Public Library during the past fiscal year totaled 126,238—a turnover of seven times for each of the 17,560 volumes on hand—according to the annual report of Miss Wilhelmina Harper, submitted to the library trustees: Mrs S. A. Kalenborn, president; John Gill, secretary-treasurer; Dr. N. C Cummings, Mrs. Z. T. Thorning and Sanford B. Dole.

The average of more than 10,000 books a month represents a 100 per cent increase in the past six years, circulation in 1930 totaling only 61,341.

During the past year, 51,033 adult fiction books were taken out by borrowers, 28,882 adult non-fiction, and 43,348 children's books. In addition, books loaned to school class rooms circulated 2973 times.

"Our adult non-fiction is the highest on record and is 737 greater than for the year before," Miss Harper stated. "This indicates that our patrons are constantly reading more books of a serious nature and are keeping abreast of the times in world affairs and interests."

Because of the comparatively small number of volumes on the shelves of the local institution and the demand for them, the Redwood City Library, alone on the peninsula, limits number of books taken out by patrons.

The library has a circulation rate of 14 books per capita and 17 per active borrower, while the American Library Association's standard is but eight books per capita.

Registered borrowers number 9,429—more than 100 per cent of the city's population as of 1930 census. Active borrowers number 7252.

During the year there were 24,877 visits to the library by persons who came solely for magazine and newspaper reading and some 50,000 visits by patrons for interchange of books.

"More and more individual work is being done for members, as is evidenced by the large increase in reference questions looked up and answered," stated Miss Harper. "Most of these require a good deal of research work. There were 6785 such questions answered during the year, an increase of 1432 over the previous year."

Recently the library has equipped a room in the basement for the exclusive use of children of elementary school age. This has served not only to give the youngsters a room of their own but to relieve congestion in the upstairs study.

Activities of the library staff during Book Week and other events are detailed by Miss Harper, who also expressed "deep appreciation" for the library board's "unfailing cooperation at all times, which has made it possible to give an adequate service to our community in line with its growth and progress."

A friendly message
to the hand that writes the check

DO YOU hate to write checks, make payments on bills, keep cash on hand for incidentals? There is so much to pay out month after month running a household. A monthly charge like your gas bill includes many items you pay for at one time. It simplifies the keeping of accounts.

If you were able to itemize your gas bill—so much for cooking, so much for baking, so much for heating water on wash day, daily baths and showers, so much for heating water for cleaning floors and woodwork, etc., you would have an opportunity to see how far your gas dollar goes.

During the month your hand turns a valve or faucet a thousand times and more for the many services gas renders easily, quietly and economically. Measured against these many services the check for your gas bill is relatively small. The cost for each service is a trifling sum. There is no better way to look at the economy of gas than to realize the thousand and one small, but important, jobs your home demands of gas service. The dollars you pay for Gas actually buy more than any other money you spend.

19 Join Local M. E. Church

Pastor's 16th Year Fete Brings More Than Sought

Hope of the Rev. William J. Owen that on his 16th anniversary in the ministry he would receive at least 16 members into the First Methodist Episcopal Church Sunday was realized when 19 placed membership in the local church at the morning services.

The new members are Mrs. Russel E. Karns, Mr. and Mrs. L. T. Nygaard, Mrs. C. J. Holt, Mrs. Milton H. Clarkson, Mrs. Andrew Devine, Clyde Devine, Mr. and Mrs. Paul D. Miles, Mrs. Theo-Smith Friend, Mr. and Mrs. Herbert L. Cooper, Mrs. Edith L. Dunbar, Mr. and Mrs. Chester A. Walton, Leroy and Robert Walton, and Mr. and Mrs. Arlo Castile.

Some joined by affirmation of faith, others by transfer.

Mrs. McCord Wins Probation on Plea

MARTINEZ, Sept. 30.—Having pleaded guilty to a charge of misappropriation of public funds, Mrs. Ruth McCord, former Contra Costa County social service director, was on four years' probation today. Mrs. McCord's plea, made yesterday before Superior Judge A. F. Bray, came as a surprise since the case has moved slowly through the county's grand jury and superior court for more than a year.

NOTICE OF SALE OF REAL ESTATE
No. 7226—Dept. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of VIVIA P. MORRIS, Deceased.

NOTICE IS HEREBY GIVEN that the undersigned, ALICE E. COOK, Administratrix of the estate of Vivia P. Morris, deceased, will offer for sale and sell at private sale, to the highest and best bidder, for cash in lawful money of the United States of America, upon the terms and conditions hereinafter mentioned, subject to confirmation by the said above entitled Court, all the right, title and interest and estate of said deceased at the time of her death, and all the right, title and interest that the estate of said deceased had by operation of law or otherwise acquired, other than or in addition to that of said deceased at the time of her death in and to all that certain real estate situate, lying and being in the County of San Mateo, State of California, and particularly described as follows, to-wit:

ALL of Lots Fifteen (15) and Sixteen (16), Block Fifty-three (53); and all of Lots Forty-five (45) and Forty-six (46), Block Fifty-four (54), of that certain Tract known and designated as the North Fair Oaks No. 2, County of San Mateo, State of California, as said tract appears of record in the County Recorder's office of said San Mateo County, California.

That said sale will be made on or after the 14th day of October, 1936, upon the following terms and conditions, to-wit:

For cash, in lawful money of the United States, payable as follows: Ten (10%) per cent of the purchase price to accompany the bid, balance on confirmation by said Superior Court. Deed and Instrument of Title and Abstract to be at the expense of the purchaser. All bids and offers must be in writing and may be left at the Law Offices of O'Keefe & O'Keefe, Sequoia Building, Redwood City, San Mateo County, California, or may be delivered to the Administratrix hereinabove named, at her place of residence, to-wit: 262 Hudson Street, Redwood City, San Mateo County, California, or may be filed in the office of the Clerk of said Superior Court, at any time after the first publication of this Notice and before making of the sale.

Dated: at Redwood City, September 29, 1936.

ALICE E. COOK,
Administratrix of the Estate of VIVIA P. MORRIS, Deceased.

O'KEEFE & O'KEEFE,
Attorneys for said estate.

MENLO PARK NEWS

Tuesday evening a reception took place in the parish hall, a farewell to Father Jeremiah Gleason, who has been transferred to Centerville, and a welcome to Father Thomas Raber, who comes from Stockton. The hall was packed with friends of both clergymen.

Mr. Adrian Ward acted as master of ceremonies. In an appropriate talk he introduced Father McKeon, who in a brief speech praised the work of Father Gleason and wished him success in his new field, where he will be acting pastor. The new assistant, Father Raber, made a short but earnest address.

Daniel Sullivan finished his short talk by reciting a poem, appropriate to the occasion. Mr. Sullivan is assistant district attorney of San Mateo county. His wife brought down the house in the rendiion of an Italian sketch. Joseph Sullivan rendered two vocal solos that were well received. Mrs. Mansuet, the church organist, gave a piano solo that was heartily encored. Jack Roach, on behalf of St. Joseph's School, Mother Foley, principal, presented Father Gleason with a handsome gift. He was followed by Mrs. John Sullivan, who in a neat speech presented the clergyman with a costly leather case, used by priests in making sick calls. It was suitably inscribed.

Father O'Hara, Mayfield, paid a tribute to his school-mate. He and Father Gleason were ordained at the same college in Ireland and came to the United States together. The last speaker was Father Gleason, who made a delightful talk. He had the whole audience in roars of laughter by his witty sallies. He wound up by inviting his hearers to visit his church on Sundays, when he will make the announcements in Portuguese.

T. P. Andrews, who passed away recently in San Francisco, was well-known in Menlo Park. Many years ago he married Matilda Pryor, Fair Oaks, now Atherton, and for a time resided there. His father-in-law, the late J. K. Pryor, did the plumbing on the recently wrecked Flood mansion. It was this contract that formed the nucleus of his vast fortune.

Miss Alena Madison, the pretty granddaughter of Mrs. P. Eyre, Atherton, has departed for Virginia to enter a finishing school there.

Miss Catherine Gaghan, the charming daughter of Mr. and Mrs. Gaghan and a graduate of the San Jose Teachers' College, has secured a position in the school department of Visitacion. Miss Gaghan has joined the vast army of commuters.

Peter Farley, a former assistant station agent here, has struck it rich in raising lettuce in the Watsonville area. Mr. Farley has two ranches and is shipping his crop without interference of the strikers, as he has granted all demands of the union.

A very pretty wedding took place in the Catholic Church here last Saturday morning when Miss Margaret Hand was united in marriage, at a nuptial mass celebrated by Father McKeon, to Bryan Tatman. The pretty bride was given away by J. B. Kelly, godfather of the bride. Irene Paris and P. Sullivan were the bridesmaid and groomsman, respectively.

Mrs. W. H. Weeden entertained at a birthday party for her granddaughter, Emma Roberta Lindquist, Monday. Fifteen little girls were present to help Emma Roberta celebrate her seventh birthday anniversary. After games were played dainty refreshments were served and dainty favors were distributed among the little guests.

Court Decision Limits Practice Of Chiropractics

Chiropractic must be limited to the manipulation of the vertebra. This was the decision of San Francisco Superior Judge John J. Van Nostrand Tuesday in ruling against those practitioners who would do other than the spinal work.

One of the principals in the case was Dr. Roy G. Labachotte of Redwood City, who was president of the Chiropractic League of California at the time the suit in question was brought, and for more than a year has fought to limit the state Chiropractic Act to the spinal manipulation.

Opposing Dr. Labachotte and other straight chiropractors was James McGranaghan, chiropractor and attorney, who sought to secure a ruling of the court that the state Chiropractic Act permitted practitioners to employ electrotherapy, hydro-therapy, colonic-therapy, osteopathy, obstetrics, minor surgery and other methods.

Judge Van Nostrand ruled against McGranaghan's stand in a decision held to be of the greatest importance to California chiropractors.

Dr. Labachotte acted as principal intervenor against McGranaghan in the suit brought by the latter in demanding interpretation of the statute by the courts. Attorney Frank V. Kington of Redwood City represented Dr. Labachotte.

Parties Elect New Chairman

CraemerHeadsG.O.P., Anglim, Democrats For New Setups

Week-end parleys in Sacramento of the Republican and Democratic central committees resulted in Justus F. Craemer, Orange publisher, citrus grower and deputy state director of public works, being unanimously chosen chairman of the Republican State Central Committee and Clifford C. Anglim, state manager of the Roosevelt-Garner campaign, being named chairman of the Democratic State Committee.

Craemer's election was approved by a unanimous vote after Edward S. Shattuck, Los Angeles attorney and president of the Republican Assembly of California the other nominee for the position, withdrew "in the interest of party harmony."

Craemer succeeds Earl Warren now Republican national committeeman, as state chairman.

"We stand, indeed, again at Armageddon," Craemer declared in addressing the new committee as soon as he was inducted into office. "Let us," he added, "go forth to the righteous battle. Let us go forth in confidence of right, in the sure knowledge that the great common sense and reasoning of the American people will rescue America."

Craemer hit hard at "Farleyism" and at the "wanton waste of the Roosevelt administration."

Other officers elected were as follows:

First vice chairman, Senator Walter McGovern, San Francisco; second vice chairman, Mrs. Jessie S. Williamson, Berkeley; third vice chairman, Albert E. Sheets, Sacramento; secretary, Laurence "Ty" Cobb, Los Angeles; assistant secretary, Sol. A. Abrams, San Francisco; treasurer, James H. Phillips, Oakland; sergeant at arms, Ray M. Carlisle, Bakersfield.

A resolutions committee, consisting of Senator Swing, San Bernardino; Assemblyman Cronin, San Francisco; Senator W. P. Rich, Marysville; Assemblyman Arthur H. Breed Jr., Piedmont; Senator Walter H. Duval, Ventura, and Walter Hunskare, Visalia, were appointed by chairman as a resolutions committee as the final act of the committee meeting.

With the forces of Senator William B. McAdoo in complete domination of the new Democratic state committee, the slate of candidates for the various offices as approved by McAdoo, Democratic national committeeman, was accepted by the committee.

The only rift in the otherwise perfect harmony on the convention floor came from the demands of Senator Culbert L. Olson, retiring state chairman of Los Angeles, that his faction be given some scant recognition in the election of new officers. Olson sought to have Kenneth I. Fulton, Los Angeles, named secretary, but upon the plea of Senator McAdoo and others, Donald Younger of Santa Cruz was given the secretaryship, 368-114.

Other officers elected were Supervisor Herbert Legg, Los Angeles, vice chairman; James K. Politzer, San Francisco, treasurer.

District vice chairmen to work under Vice Chairman Legg were named as follows.

Ivan Sperbeck, first district; Francis Carr, second; Ralph M. Butler, third; Frank J. Hennessy, fourth; William Malone, fifth; J. Stitt Wilson, sixth; H. H. Whiting, seventh; Argall Campbell, eighth; Thomas F. Lopez, ninth; Courtney McCracken, tenth; Mrs. Mattison B. Jones, eleventh; Frank Pellett, twelfth; Delwin Smith, thirteenth; Sheldon Shepard, fourteenth; John M. Costello, fifteenth; Ralph M. Evans, sixteenth; Charles J. Colden, seventeenth; William O. Wanzer, eighteenth; Charles M. Brown, nineteenth, and Jacob M. Weinberger, twentieth.

In addressing the committee Chairman Anglim called for a united effort for the Roosevelt-Garner ticket.

Fiesta Queen Greeting Set

Hollywood and L. A. Will Mark Visit Of Lucky Girl

Two Southern California cities—Hollywood and Los Angeles—will extend a hearty welcome to the San Mateo County Fiesta good will ambassadress on her two-day stay in that section, it was revealed today.

Following a conference with the mayor of Los Angeles, city officials of Hollywood, executives of two movie studios and a powerful Los Angeles newspaper publication, William McCarthy, county publicity director, and County Executive Walter Kellogg were assured by these officials that the peninsula representative will be treated royally upon her arrival there.

The newspaper will assign a member of its staff to the peninsula girl's tour.

On her return from her Texas Centennial Exposition trip, the good will ambassadress, winner of the fiesta beauty contest, will make a stop off of two days in Los Angeles.

Meanwhile two more radio programs, it was announced, will be devoted to San Mateo county and its fiesta.

They are: KFSO, 15-minute broadcast starting at 5:30 p.m., October 4, and KLX, 15-minute broadcast starting at 7:45 p.m.

Mines of the Coeur d'Alene district, Idaho, are reported operating at their greatest capacity since the depression, with 4,200 men employed.

Get one today The sooner you start, the better your opportunity to win $500.00!

READ THESE FACTS

Hiding under the title of "Retail Store License," Proposition 22 on the November ballot is really a tax on you. Proposing to tax individual stores $1 a year and *chains $500 for each store over nine,* it must be defeated *because:*

It Would Raise Prices
The U. S Federal Trade Commission says: "If the ability to undersell, based on greater efficiency or on elimination of credit and delivery cost is destroyed by taxation it is the consuming public which will really pay the tax and not the chain."

It Would Be Unfair
It is an attempt to destroy competition by taxation.
Small chain stores would be taxed up to 500,000 times as much per dollar of sales as big department stores.

It Would Hurt California
Chain stores benefit California consumers, farmers, employment, taxpayers, investors and property owners. To cripple them is to hurt all California business.

New Time for "CALIFORNIA'S HOUR"
MONDAYS 9:30 TO 10:30 P.M.
Now one-half hour later and with Donald Novis as Your Star. Conrad Nagel, Your Host; David Broeckman's Orchestra. And the "Talent Tournament"—with California's own artists.

Super Liners Due in Week

First Luxury Plane Will Be Utilized On L. A. Run

MILLS FIELD, Sept. 29.—Next week the peninsula will hear the drone of the first of 20 powerful, luxurious land planes, costing approximately $2,225,000 for the lot.

Harold Crary, United Air Lines vice president, said upon arrival from Chicago headquarters late yesterday that the first plane will go into service between here and Los Angeles.

The balance of the fleet will be delivered at the rate of five a month, and after certain of these planes have been put into service between Los Angeles and San Francisco, United will place later delivered planes on the San Francisco-Chicago-New York route and materially reduce its coast-to-coast flying time, the official said.

Funds for the purchase of these twin-engined Douglas transports and for the four-engined, 40-passenger transports for the San Francisco-New York route in 1938, will be made available as a result of the stockholders' approval last week of an increase in the shares of the company, which will bring approximately $3,800,000.

Ten of the twin-engined planes will be equipped with 21 seats. The other 10 will contain only 14 seats to permit spaciousness and interior luxuries for long distance travel said Crary.

These latest type transports have a wing span of 95 feet, weigh 12 tons, loaded, top speed 220 miles an hour and cruising speed 185.

The first power-driven plane to carry postal matter is said to have been designed and flown by Hans Glade, German, in 1909.

Sacramento, which had a population of 93,000 in the last census owns art treasures valued at $15,000,000.

Washington cathedral, in the nation's capital, is 14th century Gothic in design.

Pickwick Yarns
P.O. Box 868, Stamford, Conn.

Freight trains nowadays act like express specials. New freight schedules are so fast, I sometimes wonder if everything has to be delivered day before yesterday.

Many of our passenger trains are running faster schedules, too. Well, one thing is sure. We make faster runs, but the first railroad commandment is still "Safety First." That's one rule they won't change.

Western railroads and allied industries provided jobs for 750,000 workers last year. Some of them live in our town. Good neighbors.

Passenger fares are now the lowest in history with substantial reductions on round trips. And no more surcharge for riding in sleeping cars.

This Free pick-up-and-delivery of less than carload freight—I heard some traveling salesmen talking about it on the train yesterday. They said it saves shippers a lot of money and centers all responsibility on the railroad. The railroad picks up the freight at shipper's door and delivers it at receiver's door. Of course, the local delivery men get the haul from door-to-car and car-to-door at both ends. But the railroad handles the whole transaction.

When railroads are busy, I notice towns along the railroad are prosperous. The merchants put more ads in the newspapers.

We are proud of railroad achievements, appreciate the public's good will and increased patronage, and pledge continued progress.
